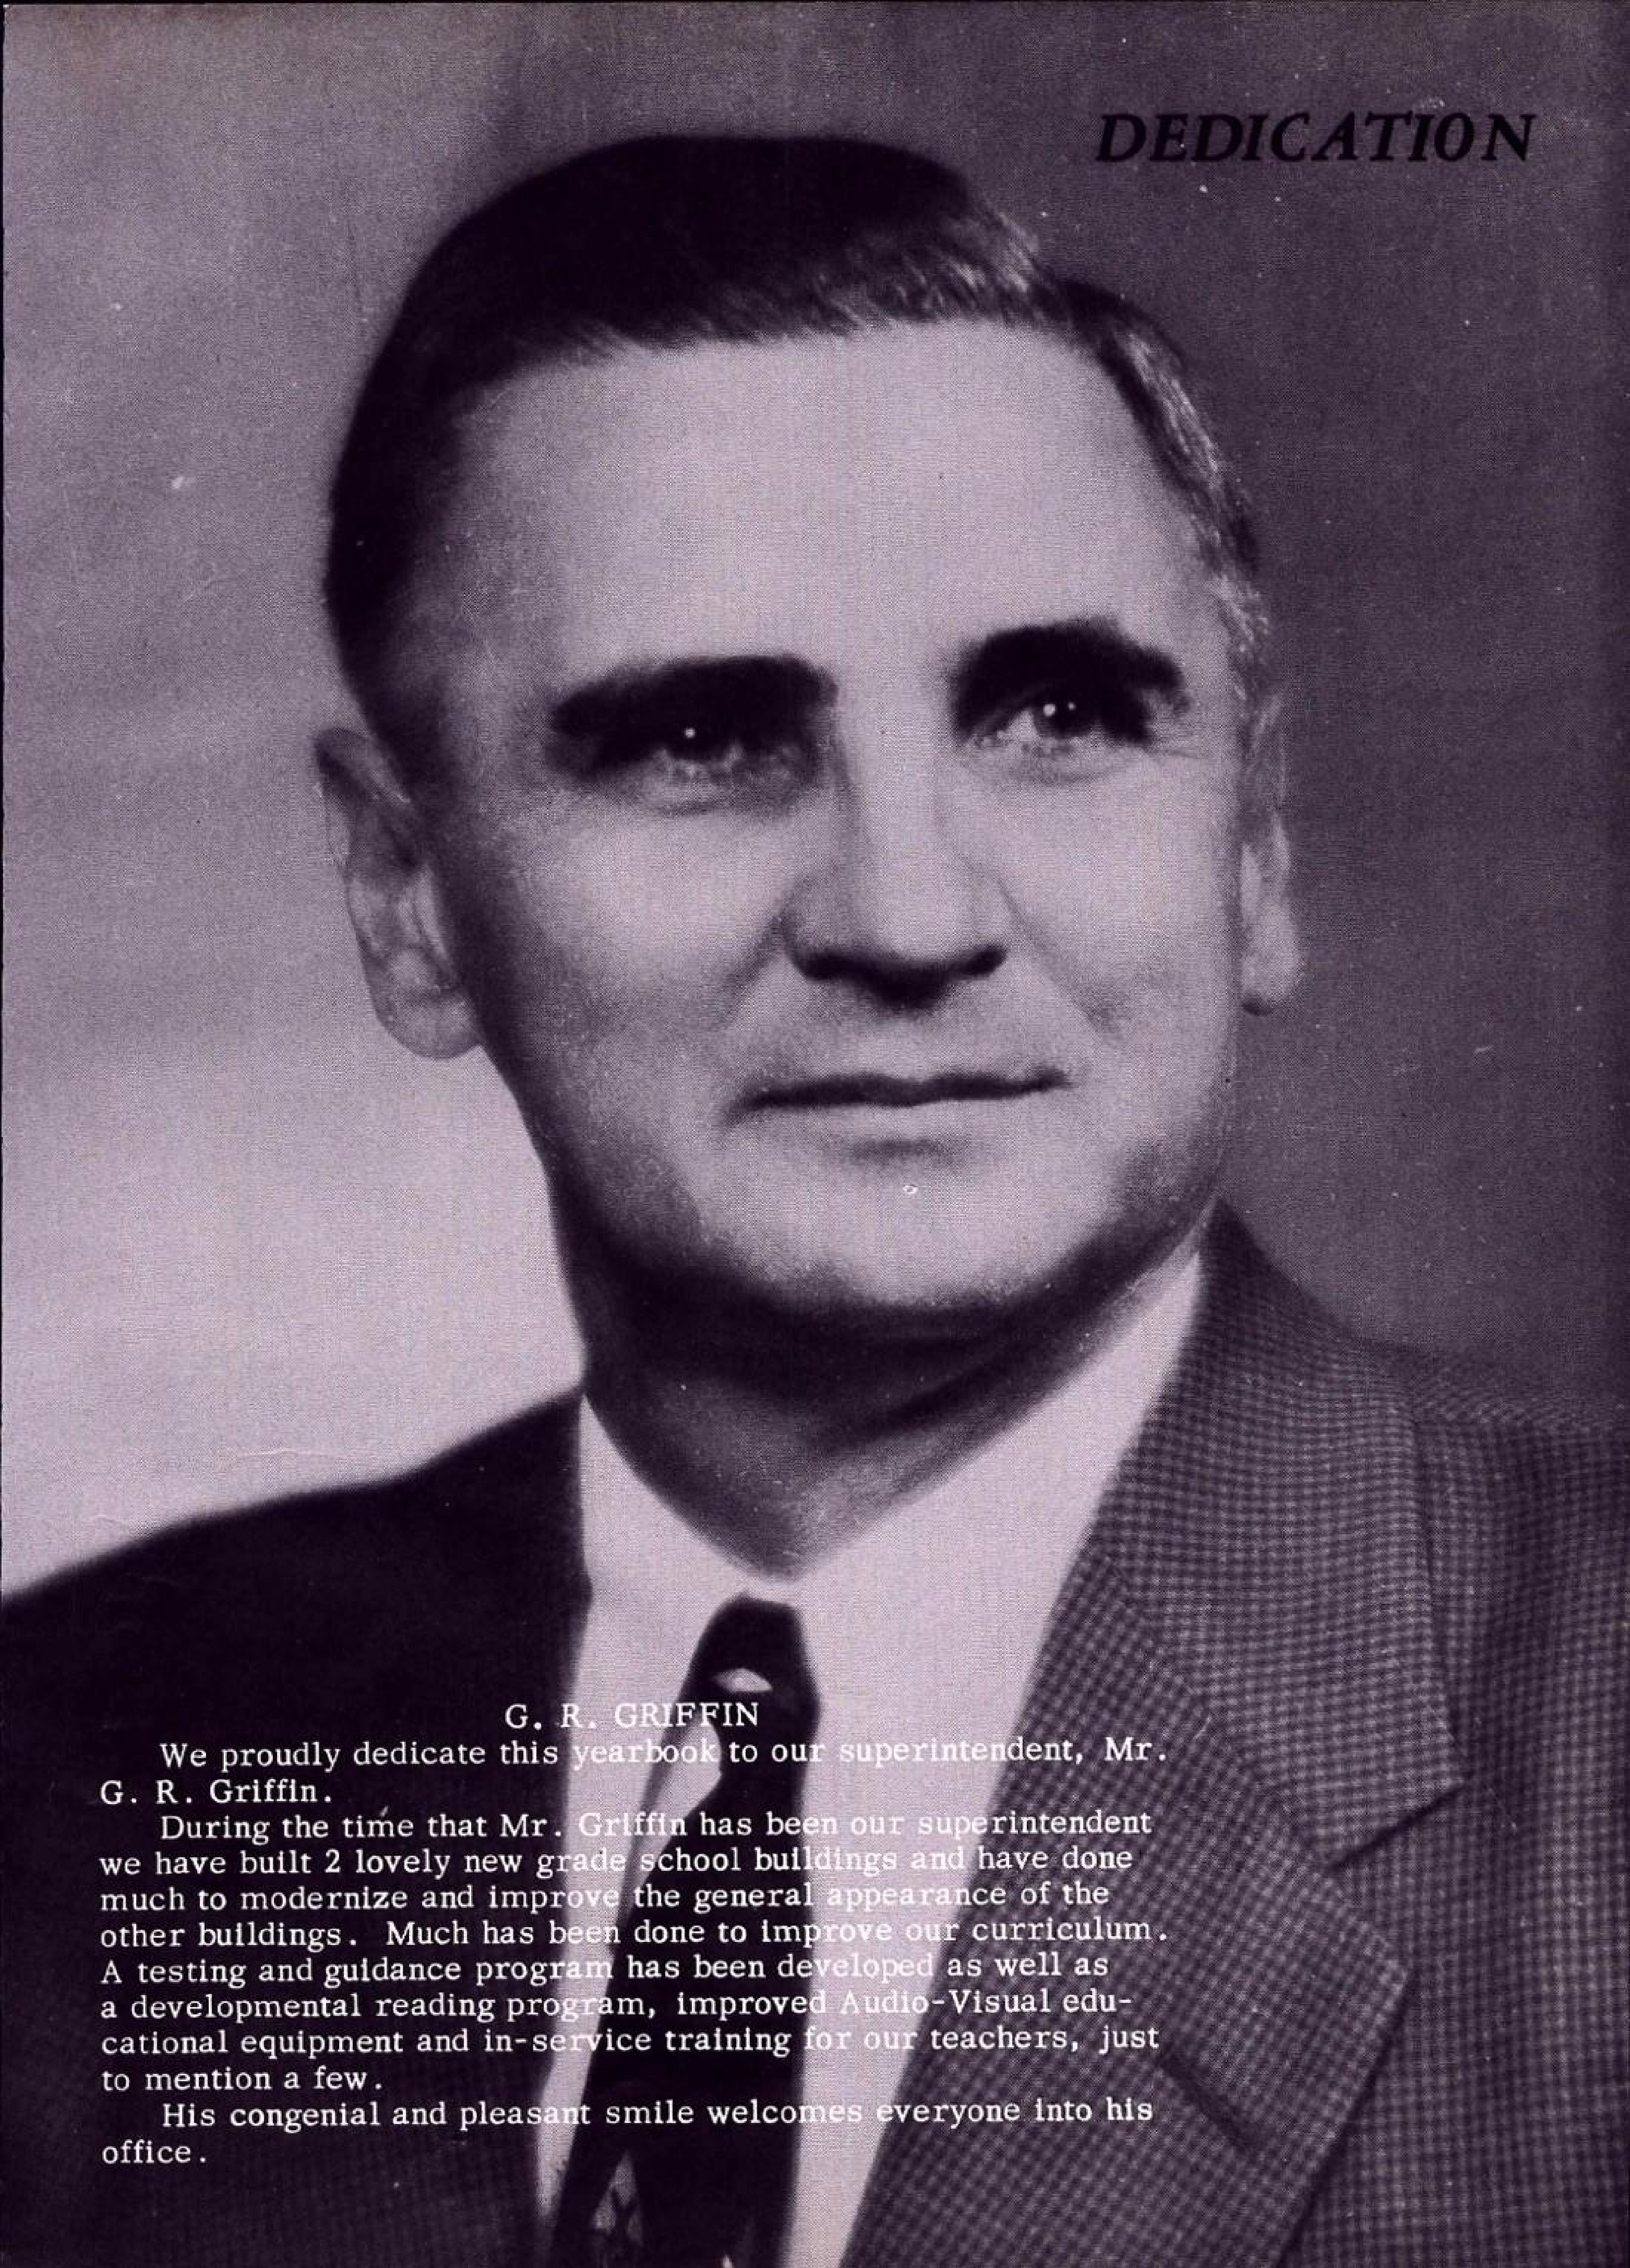
DEDICATION



G. R. GRIFFIN

We proudly dedicate this yearbook to our superintendent, Mr. G. R. Griffin.

During the time that Mr. Griffin has been our superintendent we have built 2 lovely new grade school buildings and have done much to modernize and improve the general appearance of the other buildings. Much has been done to improve our curriculum. A testing and guidance program has been developed as well as a developmental reading program, improved Audio-Visual educational equipment and in-service training for our teachers, just to mention a few.

His congenial and pleasant smile welcomes everyone into his office.

The year 1955-56 found the Hornet Staff doing just what its name indicates, buzzing around finding articles on sports, activities of the various organizations and clubs, and of course, some gossip. The articles were of general interest not only to the student body but to the members of the faculty as well. The articles for the paper were written, typed, mimeographed, and sold by the 14 members of its staff. The Hornet is under the direction of and is helped by its very capable sponsor, Mr. V. E. Muncy.

SECOND ROW: Bill Montgomery, Sue Parkhurst, Jack Montgomery, Patsy Griffith, Carolyn Phillips Phyllis Daugherty, and Margaret Geouge.

STUDENT COUNCIL

The Student Council is composed of the President and representatives of each of the six grades, representatives of the major organizations, and is headed by the president, Bill Montgomery, who was nominated by the Soph. Class and elected by the Student Body in the spring of last year. The Student Council is under the guidance of Mr. Muncy, its sponsor.

Some of the projects this year were sponsoring the Homecoming Ceremonies, supervising Clean-up Week, and selling concessions at the basketball and football games throughout the year in order that funds could be raised to sponsor such organizations as the school paper and the annual.

The Student Council feels it has had an extremely successful year.

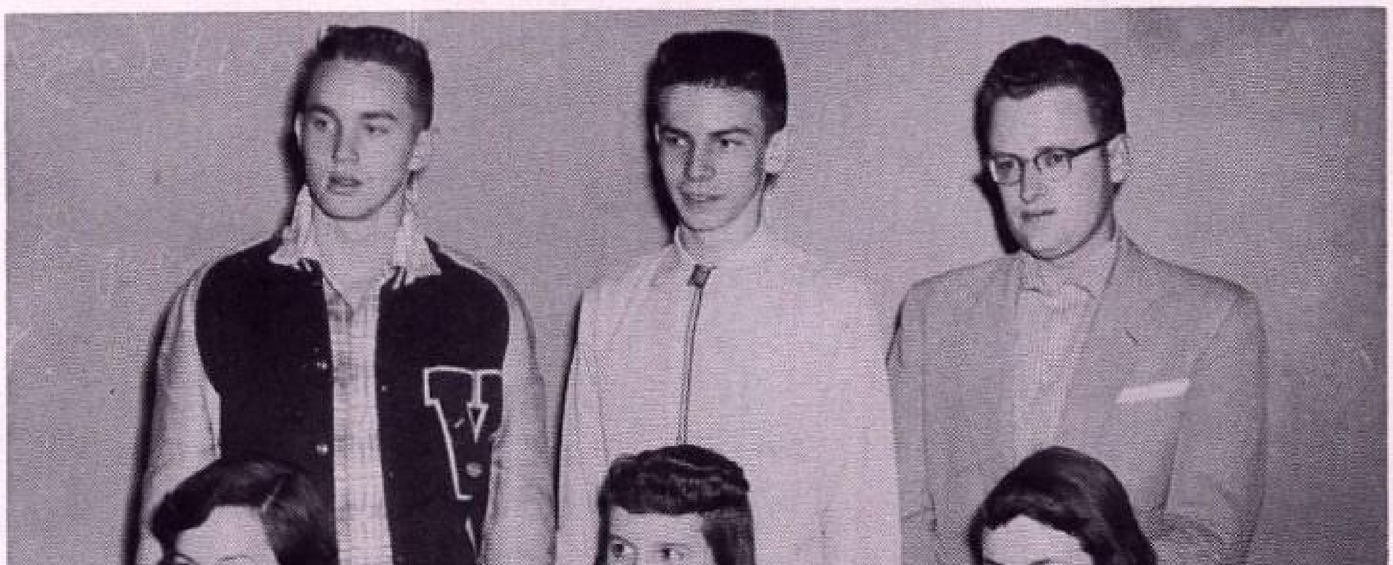
DRAMATICS CLUB

The Dramatics Club is a new club founded this year by Mr. Hill for those students who have interest in dramatics and debate. The members have participated in three speech contests and have won several awards. Four one-act plays have been presented by the group.

We of the Dramatics Club feel it has furthered the relationship of Vinita High School and the other high schools of the state.



SEATED: Hedi Heiden, Secretary; Mary Lue Henley, Recreational Director; Pat Johnson, Treasurer. STANDING: Sam Ballanger, Sergeant-at-Arms; Jerry Tawney, President, and Mr. Hill, Sponsor.

SENIOR HIGH MIXED CHORUS

The High School Mixed Chorus and Girls' Glee Club opened the school year by attending the Thanksgiving Choral Festival in Tahlequah. After the choral and band Christmas concert, we began work on contest music for the N.E.O. Music Festival at Miami and the District Music Meet in Tahlequah. The spring concert was presented in April. Soloists and ensembles from these groups presented varied programs throughout the year for local civic and social groups.

Dorothy Foster, Carolyn Burns, Frankie Glenn, Glenn Ashby, and Sam Ballenger represented the high school in the All-State Chorus at O.U.

OFFICERS: President, W. E. Duff; Vice-President, Diane Manners; Treasurer, Kaie Gilbert; and Librarian, Sam Ballenger.

FUTURE HOMEMAKERS OF AMERICA

The FHA this year has an active membership of fifty-four members. The local project was providing Christmas gifts for needy children. The state project was to have 100% participation in the club activities this year. The Christmas project helped to carry out the state project. "Families Together" was selected as the National Project. The FFA-FHA Banquet helped to carry out this project.

A representative delegation from the club attended both the District Training Meeting at Claremore and the State FHA Rally at Oklahoma City.

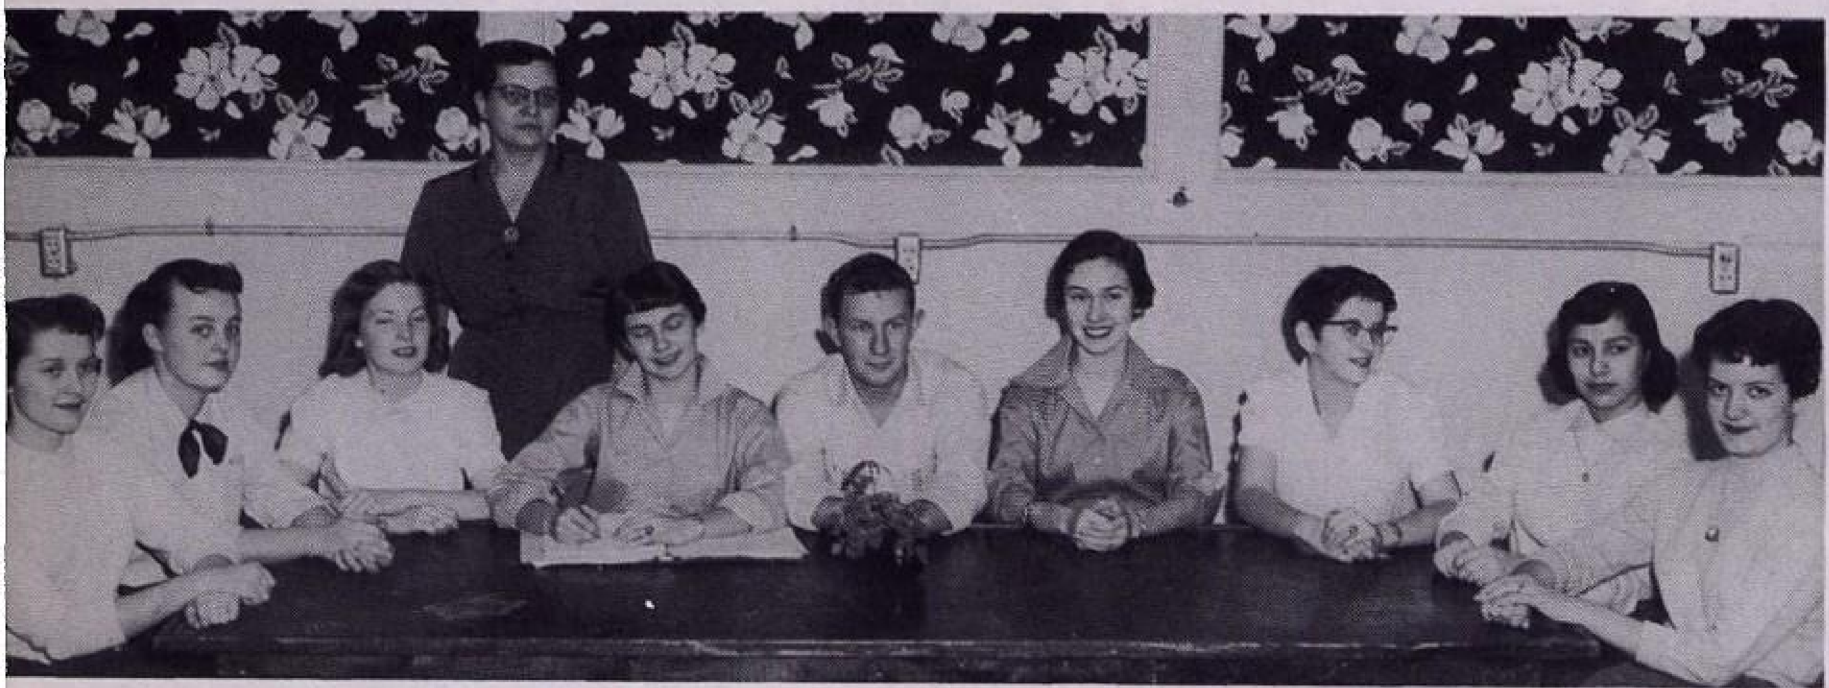
FUTURE TEACHERS OF AMERICA

The Futuri Majestri Club of Future Teachers of America has a total of 70 members of which 11 are charter members. Some of the members have been helping the elementary teachers through out the year.

The club went to Tulsa University for FTA Day sponsored by the Tulsa University Chapter. Activities for this year included lectures by teachers and students on the different phases of teaching, educational films, reception for parents and teachers, a spring outing, and representation at the annual FTA Convention on the University Campus at Norman in April.



FTA OFFICERS: President, Jack Montgomery; Vice-President, Linda Lee; Corresponding Secretary, Sue Johnson; Recording Secretary, Gloria Whitesell; Treasurer, Kay Bailey; Student Council Representative, Sue Parkhurst; Song Leader, Dorothy Foster; Historian, Toni Goodpaster; Parliamentarian, Phyllis Daugherty.

METAL SHOP

The metal shop class is a separate division of the T. and I. Education program known as day trades. It differes from the Diversified Occupations class in that it is actual shop work which takes place in the Vinita High School shop. The students in Day Trades work an average of three hours a day or 15 hours per week for five working days. The four main fields of work in Day Trades are auto mechanics, arc welding, oxygen and acetylene welding, and the lathe.

VINITA HORNETS

The 1955 edition of the Vinita Hornets was in a rebuilding stage in both football and basketball. Nine of eleven regulars had been lost in football and all regulars in basketball from the strong teams of the previous year.

Excessive injuries in mid-season prevented the expected improvement in late season games, with four or five regulars side-lined in many of the later games. However, since the 1955 team was composed almost altogether of sophomores and juniors, prospects are much brighter for the next two seasons. Only five seniors were present on a squad of forty-two; twenty lettermen are expected back from the twenty-three award winners.

Highlights of the season were the opening victory over a strong Picher team which advanced to the finals of the state playoffs in Class B, and the 69-31 drubbing of Commerce where the first team played about half of the game.

The offensive team put on a good show for the season; they have scored in thirteen consecutive games, and averaged 20 points for the season; the passing attack was the best in years. However, an out-manned defense prevented a successful season.

SENIOR HIGH BASKETBALL

After losing their entire team of the previous season, the 1955-56 edition of the Hornet basketball team was lacking in experience as well as height. The starting five was composed of three sophomores, a junior, and a senior; by late season they had developed into a pretty nice unit with considerable promise for the next two years. Keith Cresap, the only senior, was selected honorary captain and also made the all-conference team. Highlight of the season, which ended with seven victories and fourteen losses, was the record-shattering 97-73 victory over Claremore, with whom the Hornets tied for sixth in the Verdigris Valley. George Parks was high point man with 272 points, closely followed by Bobby Lawson with 243. The "B" team, with a 5-10 record, also broke in a completely new team, and showed continued improvement during the season. The junior high team finished with a 11-3 record, and the grade team a 11-2 record.
